-----

Namkoo Solar Panels have a performance warranty of 25 years. After 5 years they should output more than 95% of the rated power, after 10 years it is 90% and 25 years it is 80%.

This kit includes: 24 x 5.1kWh Lithium batteries, 2 x 50kW DEYE Inverters, 2 x Battery Racks, 2 x High Voltage Battery cluster control box, 220 x 430W Trina Mono Solar Panels.

We specialize in industrial and commercial solar systems (for factories, agriculture, schools, villages, and building electricity) as well as BESS megawatt-level battery energy storage projects.

This project features a 95 kW solar PV system + 100 kW/200 kWh battery storage at a large-scale agricultural enterprise in a remote area of Nigeria. The solar-storage system provides reliable

The 100kW 256kWh Outdoor ESS Cabinet is an advanced, all-in-one lithium battery energy storage solution designed for off-grid power systems, remote industrial sites, microgrids, and commercial

OBST Solar Power Company is a leading provider of renewable energy solutions, specializing in the sales of solar power systems in Nigeria.

We provide tailored 100kW battery storage systems to meet your unique energy needs. Whether you need a basic setup or a high-performance system, we can help you create the perfect solution.
