Located at 9,545 feet in southwest Colorado surrounded by the stunning San Juan Mountains and world-class Telluride Ski Resort. Learn about parking in Mountain Village and our free gondola.

Esto significa que de los 600 W que puede producir tu panel, solo estarás aprovechando aproximadamente 531 W. ¡Estás perdiendo casi 70 W de capacidad! ¿Qué significa

The Chaparral 2 was the first Chaparral car designed by Jim Hall and Hal Sharp and the first built in Midland. During the 1963, 1964, and 1965 road race seasons, versions of the car notched-up 22 wins

The Chaparral 2C is a sports prototype race car designed and developed by both Jim Hall and Hal Sharp, and built by American manufacturer Chaparral in October 1965, [4] to compete in a few non

\*Condiciones Estandar de Medida STC: Irradiación 1.000 W/m<sup>2</sup>, espectro AM1.5, célula a 25°C.

\*\*Condiciones TONC: Irradiación de 800 W/m<sup>2</sup>, AM1.5, temperatura ambiente 20 °C y viento de 1 m/s.

I have always liked the Chaparral and while the 2C had a fairly short racing career compared to the earlier 2A, it was an important car in the evolution of the line. This kit is really a

Explore Mountain Village with interactive pop-up maps ? view property details, neighborhood insights, and real estate locations to simplify your Telluride-area search.

Sus principales características eléctricas son: Potencia máxima: 600 W. Eficiencia: aproximadamente 22,3%. Voltaje a máxima potencia (Vmp): ~ 43,9 V. Corriente a máxima potencia (Imp): ~ 13,67 A.

All Chaparral 2s have had this structure made of fiberglass, but the 2C has the same basic structure fabricated from aluminum. A fiberglass body shell has been used on all cars, its shape evolving as

## Voltaje del panel fotovoltaico de 600 W

Satellite Map Discover Town of Mountain Village from above in high-definition satellite imagery.

Es un módulo monocristalino ABC de 600W, con 144 células y una eficiencia del 23,2%. El panel se adapta a cualquier clima incluso a condiciones extremas. Mediante la tecnología ABC Back Contact

Always innovative and sometimes invincible, these cars won many races and were always the focus of attention. First introduced in 1961, the Chaparral I saw victory in 1962 at Road
